More Profits With Polled Shorthorns . . .

Polled Shorthorns combine the superb weight-for-age and heavy milking qualities of the Shorthorn with the important added hornless feature. Consequently, farmers and breeders everywhere are demanding Polled Shorthorn bulls and paying premium prices to get them. Pictured above are a few heifers produced in the Marshal L. Boyle herd, Granville, Illinois. Mr. Boyle is a consignor to this sale and these heifers are typical of the kind you will see on sale day.

The Illinois Polled Shorthorn Breeders' Ass'n.

Annual Fall Show and Sale

Princeton, Illinois - - October 23, 1948

Show at 9:00 A.M.

Sale at 12:30 P.M.

Illinois is one of the best states in which to buy Polled Shorthorn cattle and the Illinois Polled Shorthorn Breeders' Assn. is one of the strongest and most dependable of all state organizations. The many buyers who have attended the annual Illinois sales have learned to regard them as among the best sources of supply for good herd bulls and for dependable, profitable females. Here is a well rounded sale offering calculated to meet the needs of the most critical buyers as to ages, quality and breeding.

HAL LONGLEY, Sale Manager, 16 S. Locust St., Aurora, Ill.

General Information

LOCATION—The show and auction sale will be held on Saturday, October 23, at the Bureau County Fair Grounds on the outskirts of Princeton, Illinois. The new heated sale pavilion, one of the most modern in the mid-west, will be the scene of the show and sale. Princeton is located on Route 34, 91 miles southwest of Chicago, on the main line of the C. B. & Q. Trucking and shipping facilities are of the very best.

SALE HEADQUARTERS—Headquarters for the sale will be the Clark Hotel in Princeton, Illinois.

MEETING—A meeting of the Illinois Polled Shorthorn Breeders' Assn. will be held in the Clark Hotel at 8 p.m. on the evening before the sale. All persons interested in Polled Shorthorn cattle, whether from Illinois or out of state, are cordially invited to attend.

TIME—The show will start at 9 a.m. Central Standard Time on Saturday, October 23. Wilbur Nickel, manager of the Brookdale Farms Polled Shorthorn herd, Lexington, Kentucky, will be the judge. The sale will start promptly at 12:30 p.m. J. E. Halsey will be the auctioneer.

THE MAIL BIDS—We want you to come to the sale if you can possibly do so. If you cannot come, you may rest assured that mail or wire bids will be honestly and faithfully executed. They may be sent to Hal Longley of the Shorthorn World, 16 S. Locust St., Aurora, Ill.; to Clinton K. Tomson, Secretary, American Shorthorn Breeders' Association, 7 Dexter Park Ave., Chicago, Ill.; Merl Abrams, Drovers Journal, Chicago, or to the auctioneers. Messages sent to any of the above on the morning of the sale should be addressed in care of Sale Pavilion, Bureau County Fair Grounds, Princeton, Illinois.

INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animal listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

A THOROUGHLY HEALTHY OFFERING—This is a thoroughly healthy offering. As a safeguard to prospective buyers, every animal has been tested for Bang's within 30 days prior to the sale and those that are not from accredited herds have passed a clean tuberculin test within the same period. Health certificates will be provided with each lot sold.

Show Classification & Premium List

Judge, Wilbur Nickel, Mgr., Brookdale Farms herd, Lexington, Ky.

For the purpose of this show all animals have been divided into classes according to age and sex. There will be nine classes. Each sex will have a championship and reserve championship. Terms and Conditions

GUARANTEE—

All cattle in this sale are sold under the standard form of guarantee endorsed by the American Shorthorn Breeders' Association.

HEALTH—

All animals are sold subject to a 60-day retest for tuberculosis, or to comply with the laws of the state into which they may be shipped. Animals shall be segregated from the buyer's herd until the retest is made except the herd be a Federal Accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State Veterinarian deputized by the State Veterinarian, who is cooperating with the Federal Veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of tubercular reaction, except that the purchaser shall agree to accept a substitute. Every animal in this sale has been tested for Bang's Disease within 30 days of the date of the sale. Health certificates will be provided with each lot sold. Most of the younger females in this sale have been calfhood vaccinated for Bang's.

PEDIGREES—

Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at the purchaser's risk of loss or injury after being bid off.

TERMS—

The terms of this sale are cash unless arrangements are made in advance with the consignor from whom you purchase. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchaser.

The above guarantee and terms constitute a contract between the consignor and buyer of each lot. Neither the Illinois Polled Shorthorn Breeders' Association, the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the consignors or written from information supplied by the consignors.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

ers are always attempting to fill their many buying orders for Polled Shorthorns.

Polled Shorthorn popularity abroad is due to the fact that they combine the superior weight for age qualities of the Shorthorn with the popular hornless feature . . . so important to beef production.

World Wide Demand

That Polled Shorthorns enjoy a world-wide demand is no myth. The most recent shipment from the United States sailed to one of the largest cattle herds in Australia belonging to Douglas G. Munro of New South Wales. Export buyers

Collinsby Nonpareil x—Whenever a daughter of Collinsby Collynie x is offered it is well to sit up and take notice. Study her carefully.

Left—The impressive 1947 International grand champion Polled Shorthorn bull, Millbrook Crown x. Note his depth of body, thickness and great masculine polled head. This outstanding individual was bred, exhibited and is now in service in the McDonnell Farms herd. Two heifers will sell in this sale carrying his service.

Master Stamp x, the 1946 International grand champion Polled Shorthorn bull. This bull has pleased all who have seen him on the show circuit and at his home in the A. B. McFarland herd, Hoopeston, Illinois. Mr. McFarland bred and exhibited this great grand champion and is consigning one of his daughters to this sale.

One of the most popular bulls ever to step into the show ring was Cherry Hill Royal Oak x (right). In competition with the finest Shorthorn and Polled Shorthorn cattle, he was made the reserve champion at the Eastern National last year. He was also the reserve champion bull at the International. He now heads the good Carl Johnson herd who is sending two females to this sale carrying his service.

Three Great Champions

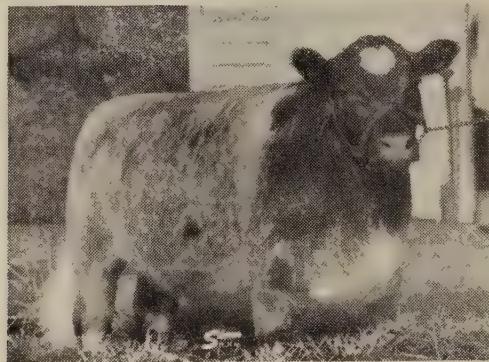

ALL IN SERVICE IN ILLINOIS. TWO OF THEM BRED AND EXHIBITED BY CONSIGNORS TO THIS SALE. THE BLOOD OF ALL THREE IS A PART OF THIS SALE OFFERING.

Illinois is proud of its record of producing the last two International grand champion Polled Shorthorn bulls. It is happier still that these two great individuals have joined the many other superior sires now in service in this State by remaining right in the herds that produced them.

There are important reasons why Polled Shorthorn improvers are consistently coming from Illinois. Shorthorns have always been close to the hearts of the many good farmers and breeders of this great State. They have long appreciated the ability of the Shorthorn to convert most economically their farm roughages into beef. They appreciate their weight-for-age producing characteristics and the heavy milking qualities of the Shorthorn cow and now they are even more enthusiastic over the added hornless feature of the Polled Shorthorn. The unprecedented demand has encouraged breeders of Polled Shorthorns in Illinois to buy better cattle, raise better cattle and sell better cattle.

Twice a year the breeders of this State sell their best productions in the Illinois Polled Shorthorn Breeders' Show and Sale. All of the cattle in this sale could have been sold at private treaty but have been held for this event. They have all been inspected before acceptance in this sale. Avail yourself of this opportunity to purchase the finest Polled Shorthorn seed stock.

Come to Illinois for Real Polled Shorthorn Improvers

Barmpton Lady 2d, this attractive, well balanced, thick, blocky heifer is Lot 28 in this sale.

A-Head of The Times

On the front cover of this catalog is the head of Lynnwood Minstrel x, one of the many great breeding bulls now in service in Illinois herds and whose blood is strong in this sale offering.

You will be ahead too if you are raising Polled Shorthorns. They are the most practical cattle for the Corn Belt farms today. Packer buyers pay a premium for fat cattle without horns; farmer bull buyers prefer the hornless type; small breeders are buying Polled Shorthorn bulls in order to more easily fill the farmers' needs. There is no doubt that Polled Shorthorns are the "Ultimate Type." The future is bright. Why not buy now? This sale provides an excellent source of supply.

Princeton is easy to reach for all buyers. It is on the main line of the C. B. & Q. Railroad. It is 91 miles Southwest of Chicago, 53 miles Northeast of Galesburg, 64 miles East of Davenport, and 22 miles west of LaSalle.

It is easy to ship cattle from Princeton by rail or truck to any point in the country. Plenty of truckers are available for long distance hauls in any direction.
